Prophets have the capacity and ability to introduce new seasons in congregations and individual lives of saints. The Lord is raising a generation of Davidic type of worship leaders all over the world. There is a need for a fresh prophetic sound in the body of Christ. Like in the days of David, God is raising up prophets to lead worship and release the sounds and songs of heaven. Since the Lord is restoring the heart of passionate prophetic worship, there is need for knowledge that can help us transition from old religious patterns that are now void of His power and presence. Prophetic worshippers tap into heaven s thoughts, agenda and sounds. Isaiah 22:22 declares, The key of the House of David I will lay on His shoulders; so He shall open and no one shall shut; and He shall shut, and no one shall open. I am so glad that Prophet Rodney Williams has released the heart of God in terms of how prophets must lead and govern praise and worship in apostolic prophetic houses. This book is a must have for all worshippers and worship leaders. With sound biblical foundation, prophetic insight and cutting edge precision, Rodney teaches us how to transition through the spirit of God in the realm of worship, from traditional to prophetic worship. Rodney does not just speak to us merely from theory, but...
