WOMEN WILL SAVE THE WORLD (PAPERBACK)

Caroline A. Shearer, United States, 2012. Paperback. Book Condition: New. 212 x 138 mm. Language: English . Brand New Book ***** Print on Demand *****.Leading women across the nation celebrate the feminine nature through stories of collaboration, creativity, intuition, nurturing, strength, trailblazing, and wisdom in *Women Will Save the World*. Inspired by a quote from the Dalai Lama, bestselling author and Absolute Love Publishing Founder Caroline A. Shearer brings these inherent feminine qualities to the forefront, inviting a discussion of the impact women have on humanity and initiating the question: Will Women Save the World? At the Vancouver Peace Summit in September 2009, the Dalai Lama announced, The world will be saved by the Western woman. Shearer was struck by the profound implications of this statement and immediately felt drawn to explore the subject. Shearer joins essays from modern-day Olympians, Billboard-topping musicians, visionary media professionals, artists, authors, and more with profiles of historical women, such as Mother Teresa, Harriet Tubman, and the founder of Junior League, who each saved the world in their own ways. *Women Will Save the World* Features Dozens of essays from leading women across the nation Profiles of historical women who saved the world through the feminine qualities of collaboration, creativity, intuition, nurturing, strength, trailblazing, and wisdom Affirmations to help strengthen these inherent feminine qualities Little-known historical timeline with examples of how women have already saved the world in myriad ways.
