Cornerstone. Paperback. Book Condition: new. BRAND NEW, Where the Mountain Casts Its Shadow: The Personal Costs of Climbing, Maria Coffey, Climbers who court danger in the world's highest places risk far more than just their own skins. When tragedy strikes, what happens to the people who love them? Why would anyone choose to invest in a future with a high-altitude climber? What is life like in the shadow of the mountain? Such questions have long been taboo within the international world of mountaineering. Now Maria Coffey breaks this silence. She recounts climbers' stories of near-death experiences, and gives a voice to the families and loved ones of Chris Bonington, Ed Viesturs, Anatoli Boukreev and Alex Lowe, amongst many other famous names. Her riveting narrative weaves tales of adventure with first-person accounts of the people left behind, highlighting the conflicting beauty, passion and devastation of this alluring obsession.
