Createspace, United States, 2013. Paperback. Book Condition: New. 274 x 214 mm. Language: English . Brand New Book ***** Print on Demand *****.The Oracle E-Business Suite 12.1 Receivables Essentials exam is designed for individuals who possess a strong foundation and expertise in implementing Oracle E-Business Suite Financial Management solutions. This certification exam covers topics such as: how to access and navigate within the R12 E-Business Suite, how to enter data, retrieve information in the form of a query and access online help. Candidates must also demonstrate knowledge of Order-to-Cash Lifecycle, Oracle Receivables Process, Manage Parties and Customer Accounts, Process Invoices Using AutoInvoice, Process Invoices, Bill Presentment Architecture, Credit Management, Implement Customer Invoicing, Receipts, Implement Receipts, Tax Processing and Period Closing process. Up-to-date training and field experience are recommended. Some unique features of this book: - There is NO Other book in the market for the Oracle Accounts Receivables Certification exam. - The authors have themselves cleared the exam. - All questions are multiple choice format, similar the questions you will get in the actual exam. - 200+ authentic questions, testing the exact same concepts that will be tested in Your exam! Clearing the Oracle Order Management Certification will not automatically lead you to a job. However a Certification with some project experience will certainly open a lot of doors for you. The consultants who will benefit the most from a certification are the ones with typically less than 2 year s project experience. This is not to say that consultants with higher experience will not benefit, but at that level, having a certification matters much less. So if you have little or no Oracle Receivables experience, you should get yourself certified, get some project experience, and then the whole of the Oracle applications World is open for you to explore....
