Fantagraphics, United States, 2015. Paperback. Book Condition: New. 220 x 166 mm. Language: English . Brand New Book. Josh Simmons returns with his first full-length graphic novel since 2007 s acclaimed House. A group of women, one man, and two dogs are making their way through a post-apocalyptic world in search of a city that supposedly still has electricity and some sort of civilization. Along the way, they go to a comedy club, take a drug called Gumdrop, and encounter gangs of men who are either fools, lunatics, or murderous sadists. In other words, all manner of terrors. Josh Simmons is one of the field s most distinctive voices in the horror genre (The Furry Trap, House), and this full-length graphic novel is his best work yet, echoing director John Carpenter s perfect tick-tock pacing, as well as Shirley Jackson s ability to transcend genre and turn it into literature.
