Reviews

*Completely among the finest ebook We have at any time read through. it was actually writtern really properly and helpful. You are going to like just how the writer compose this publication.
(Mr. Deangelo Considine)*

OFF THE MAP: LOST SPACES, INVISIBLE CITIES, FORGOTTEN ISLANDS, FERAL PLACES AND WHAT THEY TELL US ABOUT THE WORLD

Aurum Press Ltd. Paperback. Book Condition: new. BRAND NEW, Off the Map: Lost Spaces, Invisible Cities, Forgotten Islands, Feral Places and What They Tell Us About the World, Alastair Bonnett, 'A fizzingly entertaining and enlightening book' Daily Telegraph 'Mesmerising' Geographical Magazine 'A fascinating delve into uncharted, forgotten lost places. But it's not just a trivia-tastic anthology of remote destinations but a nifty piece of psycho-geography, explaining our human need for these cartographical conundrums.' Wanderlust In a world of Google Earth, in which it is easy to believe that every discovery has been made and every adventure already had, Off the Map is a stunning testament to how mysterious our planet still is. From forgotten enclaves to floating islands, from hidden villages to New York gutter spaces, Off the Map charts the hidden corners of our planet. And while these are not necessarily places you would choose to visit on holiday - Hobyo, the pirate capital of Somalia, or Zheleznogorsk, a secret military town in Russia - they each carry a story about the strangeness of place and our need for a geography that understands our hunger for the fantastic and the unexpected. But it also shows us that topophilia, the love of place, is a fundamental part of what it is to be human. Whether you are an urban explorer or an armchair traveller, Off the Map will inspire and enchant. You'll never look at a map in quite the same way again.
