A fresh eBook with an all new standpoint. It is actually written in simple words and phrases instead of difficult to understand. You won't sense monotony at any moment of your own time (that's what catalogs are for relating to if you question me).

Barron s Educational Series, United States, 2009. Board book. Book Condition: New. Jacqueline East (illustrator). 185 x 168 mm. Language: English . Brand New Book. This brand-new title in the Wiggle-Waggles board books series features a cheerful Elephant s face on the front cover. It s constructed of layered board sections that create an amusing 3D effect. When kids move Elephant s ears back and forth his mouth moves and he munches on leaves. Children can also touch furry patches in some of the illustrations. The funny story is written in verse, with bright, full-color illustrations on every sturdy board page.
