Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from *Stories of Famous Operas* The kindly reception accorded to my little volume on the *Stories of the Wagner Opera* has made me hope that a similar work, briefly outlining the plots of the principal French, German, and Italian operas most frequently given at the present day, might prove equally acceptable to the general reader. In the narrow limits of one small volume, only a selection can be given. So, all the operas based upon any of Shakespeare's well-known plays have not been included, and only one version of the Faust Legend admitted. The narratives have been written from the original librettos to enable the spectator to follow every phase of the action on the stage. Of course, the main charm of an opera lies in the music, for the librettos have often been adapted to its requirements to the detriment of the story.
