## TED THE TURTLES TRIP TO THE MOON

Strategic Book Publishing. Paperback. Book Condition: New. Paperback. 24 pages. Dimensions: 8.3in. x 8.2in. x 0.2in. Ted is an ambitious turtle who has always dreamed of going to the moon, so he leaves the swamp to achieve his dream. On his journey, Ted befriends a lonely beaver named Bobby, who decides to help Ted. Before they can head for the moon they face some obstacles. Not only do they have to find their way through heavy fog, but they get scared by a big bear. Then they meet some firebugs with special abilities. The friends finally reach the spot where they can build a rocket to take them to the moon, and then they're off. Along the way, they see the Milky Way and many other wonderful sights in the sky. Ted and Bobby end up crashing on the moon because they didn't have any landing gear! Discovering that the moon smells like cheese - and they don't like cheese - the friends are ready to head back home. Ted the Turtles Trip to the Moon was very exciting, but they miss home. Will they be able to make the return flight? Find out by joining in on this very special adventure. First-time author Bobby Murphy wrote this book for his children and provided the wonderful illustrations. My love of art and illustrations is my inspiration. I thought that it would be fun to write children's stories to go with my illustrations. Publishers website: <http://sbpra.com/BobbyMurphy> This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
