

Love and Freindship: And Other Youthful Writings

Filesize: 7.11 MB

Reviews

A really wonderful book with lucid and perfect reasons. This can be for all who statte there was not a worth reading through. You are going to like how the author write this book.

(Dr. Grady Jacobi DDS)

LOVE AND FREINDSHIP: AND OTHER YOUTHFUL WRITINGS

Penguin Books Ltd. Paperback. Book Condition: new. BRAND NEW, Love and Freindship: And Other Youthful Writings, Jane Austen, Christine Alexander, Jane Austen's brilliant, hilarious - and often outrageous - early stories, sketches and pieces of nonsense. Jane Austen's earliest writing dates from when she was just eleven years, and already shows the hallmarks of her mature work: wit, acute insight into human folly, and a preoccupation with manners, morals and money. But it is also a product of the eighteenth century in which she grew up - dark, grotesque, often surprisingly bawdy, and a far cry from the polished, sparkling novels of manners for which she became famous. Drunken heroines, babies who bite off their mother's fingers, and a letter-writer who has murdered her whole family all feature in these very funny pieces. This edition includes all of Austen's juvenilia, including her 'History of England' - written by 'a partial, prejudiced, and ignorant Historian' - and the novella 'Lady Susan', in which the anti-heroine schemes and cheats her way through high society. Taken together, they offer a fascinating - and often surprising - insight into the early Austen. This major new edition is the first time Austen's juvenilia has appeared in Penguin Classics. Edited by Professor Christine Alexander, it includes an introduction, notes and other useful editorial materials. Jane Austen, born in 1775, wrote many burlesques, parodies and other stories in her youth, including a short epistolary novel, Lady Susan. The novels published in her lifetime include Sense and Sensibility (1811), Pride and Prejudice (1813), Mansfield Park (1814) and Emma (1816). Persuasion was written in a race against failing health in 1815-16, and was published, together with Northanger Abbey, posthumously in 1818. Austen died in Winchester on 18 July 1817. Christine Alexander is Scientia Professor of English at the University of...
