Three obstacles. Renee never expected to find herself being forced into a supernatural war. As a human, Renee doesn t have a reason to be caught up in this, but her two housemates, Samson, a trustworthy werewolf, and Celeste, a bitter siren, think differently. Influenced by a ruined leader and a master puppeteer pulling everyone s strings behind the curtain, they are a starving group desperate for salvation. And, just like the heroes, each of them will have to decide how far they re willing to go to acquire the Vampire s Heart....
