BookBaby, United States, 2016. Paperback. Book Condition: New. 213 x 137 mm. Language: English . Brand New Book. I was six years old when we moved to Great Brook Valley in Worcester, Massachusetts. That was the name of the projects we lived in, Great Brook Valley. We called it the Valley for short. There were rows and rows of three-story brick apartment buildings with six apartments in each section. We lived at 15B, building 15, apartment B. It was a two-bedroom apartment. Our front yard consisted of cement landings and pavement. Each building had a cement stoop with just a few steps leading up to a cement landing at the entrance. There wasn't enough room for a chair or a potted plant, just enough to get yourself up into the building. A large, green-metal door with a broken lock was propped open with a heavy cement brick to allow easy access. Outside of our building, just about ten feet from our front doorway was a large fenced-in area with clotheslines running throughout. It was large enough for five buildings to share. Just beyond the clotheslines, you came to a parking area and two dumpsters. In the same direction, across the main street that ran the length of the projects, was the city bus stop. The bus was the only mode of transportation other than our legs during my six years in the projects. The set-up was very practical. The projects management made sure that we had everything and anything we would ever need. I would dream of a grass-covered yard to run through with my bare feet. What I would have given to roll down a grassy hill so fast that it would make me want to throw up. Worcester is not the place to roll down hills, even if...
