*A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.*

Bloomsbury Publishing PLC, United Kingdom, 2010. Hardback. Book Condition: New. 214 x 138 mm. Language: English . Brand New Book. Zimbabwe is a country both blessed and cursed. Arriving to work at the British Embassy in Zimbabwe, Philip Barclay found a temperate paradise and a sophisticated and charming population. But during a three-year stay in what used to be Africa s finest country, he saw it ruined by violence and grotesque economic mismanagement. Philip Barclay was at the centre of the tumultuous events of 2008. Zimbabwe s people voted against Robert Mugabe, but their desire for change was denied as vicious squads of indoctrinated youths loyal to the ageing dictator launched a campaign of murder, rape, and destruction. In the wake of such terror, the country s economy and public services collapsed, leading to widespread poverty and epidemics of diseases that Zimbabwe had not seen in living memory. This electrifying account records the violent excesses of a hated clique prepared to do anything to cling to power. It asks why the world stood by and watched as Zimbabwe burned and questions whether power-sharing between Robert Mugabe and Morgan Tsvangirai offers the way forward which the country needs. An honest account of a diplomat s confrontation with a brutal dictatorship, Zimbabwe is also a personal story of the resilience - despite their daily experience of despair and death - of Zimbabwe s people.
