Bear & Company. Paperback. Book Condition: New. Paperback. 368 pages. Reveals the secret language and words of power that enabled the ancient Egyptians to imagine the world into existence Reveals ancient Egyptian Mystery teachings on immaculate conception, transubstantiation, resurrection, and eternal life Explores the shamanic journeys that ancient Egyptian priests used to view the unconscious and the afterlife Provides the essential spiritual tools needed to return to Zep Tepi, the creative source Drawing from the Egyptian Book of the Dead, the Pyramid texts, the Book of Thoth, and other sacred hieroglyphic writings spanning the three millennia of the Egyptian Mystery Traditions, Normandi Ellis reveals the magical language of creation and words of power that enabled the ancient Egyptians to act as co-creators with the gods. Examining the power of hieroglyphic thinking--how thoughts create reality--and the multiple meanings behind every word of power, the author shows how, with the Neteru, we imagine the world into existence, casting a spell of consciousness over the material world. Uncovering the deep layers of meaning and symbol within the myths of the Egyptian gods and goddesses, Ellis investigates the shamanic journeys that ancient Egyptian priests used to view the unconscious and the afterlife and shares their initiations for immaculate conception, transubstantiation, resurrection, and eternal life initiations that later became part of the Christian mystery school. Revealing the words of power used by these ancient priestssorcerers, she explains how to search for the deeper, hidden truths beneath their spells and shows how ancient Egyptian consciousness holds the secret of life itself. Revealing the initiatory secrets of the Osirian Mystery school, Ellis provides the essential teachings and shamanic tools needed to return to Zep Tepi--the creative source--as we face the transitional time of radical change currently at hand. This item ships from multiple locations. Your book may arrive...
