Battle for the Castle: The Myth of Czechoslovakia in Europe, 1914-1948 (Paperback)

By Associate Professor of History Andrea Orzoff

Oxford University Press Inc, United States, 2011. Paperback. Book Condition: New. 234 x 155 mm. Language: English . Brand New Book ***** Print on Demand *****.Since 1918, Czechoslovakia has been known as East-Central Europe's most devoted democracy, an outpost of Western values in the East. While the country has had more democratic experience than its neighbors, this book argues that the claim that Czechs are native democrats, devoted to liberal ideas, emerged from nationalist myth. *Battle for the Castle* tells the story of that myth's creation during the First World War, used to persuade the Great Powers to create Czechoslovakia out of pieces of Austria-Hungary. Tomas Masaryk and Edvard Benes, the two academics crafting the myth and employing it for wartime propaganda, became Czechoslovakia's first president and prime minister. They tried to use the myth to outmaneuver political opponents at home and Czechoslovakia's enemies abroad. Those enemies, and the European Great Powers, also conducted their own propaganda campaigns targeting Czechoslovakia as a symbol of the postwar order. At home, while proclaiming themselves the protectors of democracy, Masaryk and Benes played political hardball through their powerful political machine, the Castle, and defended their legacy against their detractors....
