Puzzled by signs warning you to mind the gap in the London Underground Wondering what will be on your plate if you order toad in the hole in a London caf In *Divided by a Common Language*, Christopher Davies explains these expressions and discusses the many differences in pronunciation, spelling, and vocabulary between British and American English. He compares the customs, manners, and practical details of daily life in the United Kingdom and the United States, and American readers will enjoy his account of American culture as seen through an Englishmans eyes. Davies tops it off with an amusing list of expressions that sound innocent enough in one country but make quite the opposite impression in the other.
