Not illustrated. 1869 Excerpt: .forms one of the features of Debased Gothic, when the beautiful and graceful forms of that style gradually decayed, and for a time were lost. Happily, in the present century there has been a gradual and spirited revival of the Gothic style, and works are now being produced which bid fair to rival in beauty of form and. in principles of construction, the marvellous buildings of the middle ages. As the principles of Gothic Architecture will form the subject of another volume of this series, further description is here unnecessary. We now return to the constructive principles of arches, and these may be conveniently treated of under the separate heads of brick arches and those constructed of stone, the main principles being the same; viz., that the bricks or stones composing the arch must be so placed that they act as wedges. In stone arches, this...
