Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Rainbow Reader Brown: Reconnect Fiction is a lie, but there is truth behind every lie. Georgie s 30 year journey spans the entire Rainbow Reader series and can be read in any order. However, for readers interested in following the timeline in complete continuity, the proper reading order for the series begins with the unpublished, Pink: The Secret Manuscript, and continues directly into Red, Orange, Yellow, Green, Blue and Purple. The timeline continues quite chronologically into the three Moments in Time novels. Following the three Moments in Time novels, the story and timeline then continues to spin off different characters timelines in order to give the reader an allencompassing, comprehensive and truly relative reading experience about the characters lives as they all develop individually. The Rainbow Reader series begins again after the three novels with White: Educating Hayden, Gray: Surrender, Black: Secrets, Brown: Reconnect, and the final Rainbow Reader, Silver Gold: True Love s Kiss. Brown: Reconnect features how worlds collide, Ian and Kyle s world reconnects with Warren and Georgie as they embark on a journey to reconnect with the earth and offer a safe place for battered, abused and neglected gay teens in a sustainable permaculture environment growing food, fish and animals, reconnecting with all that recent generations have forgotten about how to cherish and love another, how to appreciate and work with nature in a productive environment in balance and harmony, and where they can discover their path, their potential and develop the necessary skills to become the next positive leaders toward change in our destructive society. There s no better fiction than the truth. Enjoy the tenth in the Rainbow Reader...
