Each other refers to one of two persons: Husband and wife love each other. One another refers to more than two: Men should love one another. Correct the following: It is not for such as us to complain; he is no better than her; the horse who was shot; there are three causes for crime neither of which, etc.; they are judged every man according to their works; a hundred men in arms encouraged each other. XV. THE WARS OF NORTH AMERICA The two great wars which have had most important influence upon the development of North America are the War of the Revolution, through which the Republic came into existence, and the Civil War, which preserved the integrity of the United States as a nation. In only the first of these was Canada involved. The Revolutionary War was caused by the attempt of Great Britain to take money from the colonies without their consent. The British government was heavily burdened by war debts and the English Parliament determined to make the colonies pay a part of this debt by imposing duties upon certain commodities used by the colonists. The King and his ministers did not consult the colonists and the latter had no one to represent them in Parliament. When the taxes were imposed the colonists protested, holding that taxation without representation violated a fundamental principle in AngloSaxon ideas of government. The King insisted upon the royal prerogative and held stoutly to...
