During the greater part of the year, this plain presents one vast and delightful sheet of water; but the fairy form of the lightfooted gazel was presently seen bounding over the delusive surface, and although clothed throughout with the most tantalising verdure, it yet proved perfectly dry. The camels were milch females, VOL. I. s 258 DELUSIVE HOPES. capable of subsisting for days, and even for weeks together, without drinking, whilst their milk serves to quench the thirst of their unwashed Bedouin attendants. Beedur, the chief of a section of the Debeni, who resides in this spot during the rainy season, had long since decamped with his clan to more distant...
