

## Everyone s Clematis - The Montanas: A Book for Gardeners (Hardback)

By Dr John Howells

ACC Art Books, United Kingdom, 2005. Hardback. Book Condition: New. 242 x 174 mm. Language: English . Brand New Book. Winter brings a sombre note to the garden. After it, we look to spring to lighten up the vista. The plant, beyond all plants, that does this best is the montana clematis. Huge sweeps of colour, involving thousands of small flowers, climb into trees, cover walls and embellish shrubs. No one montana clematis flowers for long, but a sequence of montanas can flower from April to September. Colour catches the eye first, but as you approach, many of the montanas give an overwhelming fragrance. This particular group of clematis is vigorous, easy to plant and easy to grow. Montanas are free from stem rot (clematis wilt), and pruning is easy. As a bonus, in the autumn, some montanas produce attractive seed heads. The longevity of this clematis is such that it can be considered a friend for life. Written by acknowledged clematis expert John Howells, this book is a book for gardeners. The gardener needs to know the general features of this group of clematis. They will find them here. They need to know which montanas are available on the...
