Greenleaf Publishing. Hardback. Book Condition: new. BRAND NEW, Governance of Integrated Product Policy: In Search of Sustainable Production and Consumption, Dirk Scheer, Frieder Rubik, IOEW, European policy patterns are in a state of transformation. New governance models are shifting power away from states and toward the involvement of all stakeholders and the idea of shared responsibility. It's a move from command and control to push and pull. What's in this new approach for the environment? This book provides a detailed analysis of the example of integrated product policy (IPP) which aims to improve the environmental performance of products and services through their life-cycle. All products cause environmental degradation in some way, whether from their manufacturing, use or disposal. The life-cycle of a product is often long and complicated. It covers all the areas from the extraction of natural resources, through their design, manufacture, assembly, marketing, distribution, sale and use to their eventual disposal as waste. At the same time it also involves many different actors such as designers, manufacturers, marketers, retailers and consumers. IPP attempts to systematically stimulate each phase of this complicated chain to improve its environmental performance. With the involvement of so many different products and actors there cannot be one simple policy measure for everything. Instead, IPP employs a whole variety of tools - both voluntary and mandatory - which are used to achieve identified objectives. These include economic instruments, the phase-out of dangerous materials, voluntary agreements, eco-labelling and product design guidelines. IPP is still in relative infancy and can be seen as an ongoing process hugely dependent on effective governance measures to ensure its continued success. This book presents a plethora of perspectives from policy-makers, researchers and consultancies, representatives from business, environmental and consumer associations on how to effectively conceptualise, institutionalise and implement IPP. The book...
